

Car parking policy

The School has a limited number of parking spaces available in front of the building.

These parking spaces are available for:

- staff
- students
- visitors

if requested from and approved by the Administration Manager.

On confirmation of the allocation of a parking space, the Administration Manager provides the member of staff or student with a parking permit, which specifies the time(s) of the day(s) when the parking permit is valid.

The parking permit must be clearly displayed behind the windscreen of the car when parked on School premises.
