

Car parking policy

The School has a limited number of parking spaces available in front of the building.

These parking spaces are available for:

- staff
- students
- visitors

if requested from and approved by the Administration Manager.

Provided there is a space available, requesters are welcome to it, though no reservations will be made.

The School reserves the right to deny parking space requests or allocate them as they see fit. The School recommends paid parking, which is located close to the school.
